

Katherine Cargill-Willis & Andrew Buck

Individuals with Intellectual and Developmental Disabilities (ID/DD) Need Accessible Health Information

The *ID/DD Counts* project will:

1. Learn how many Americans have ID/DD
2. Learn health needs of Americans with ID/DD

The *Disability Experience Expert Panel (DEEP)* are research partners with ID/DD.

DEEP gives input to researchers and agencies and helps them make clear language products.

Ask Individuals with ID/DD to Give Input on Making Information More Accessible, Usable, and Clear
Use common words, audio/visual supports & examples
